

CIT2011 IA#1 Storyboard

Chapter 4: Achieve Your Goals

Set written goals and work toward them. Goals shape who you become not just what you achieve.

My Understanding: Write down your goals and break them into small steps you can act on daily.

Chapter 5: Use of Time

Time is precious use it wisely. Discipline now prevents regret later.

My Understanding: Focus on important tasks that move you closer to your goals instead of wasting time.

Chapter 6: Surround Yourself with the Good People

The people around you influence your success. Choose friends and mentors who inspire you to do better.

My Understanding: Spend more time with positive, supportive people and limit time with those who hold you back.

Chapter 7: Learner

Keep learning beyond school read, attend seminars, and learn from others. Growth comes from self-education.

My Understanding: keep reading, learning new skills and applying them on a regular to improve yourself.
